EDUCATION

Applied Technology High School, Abu Dhabi, UAE

2016 – 2020

New York University Abu Dhabi, Abu Dhabi, UAE

2021 – 2025

Bachelors of Science - Mechanical Engineering

EXPERIENCE

Japan Cultural Exchange, **UAE culture representative**

2016 – 2020

- Successfully executed projects and presentations to educate Japanese individuals about UAE culture.
- Traveled to Japan to expand cultural knowledge and deepen understanding of Japanese culture.
- Brainstormed ideas to portray the UAE image in the most positive and effective way possible through engaging mini-activities with Japanese audiences.
- Delivered skits and speeches to Japanese audiences in their native language to further promote cultural exchange and understanding.

Young Rangers Program, **Participant and Coordinator**

2019 – 2019

- Conducted research and gained a deeper understanding of environmental issues and their impact on society.
- Coordinated and executed public events aimed at raising awareness about environmental concerns and promoting sustainable practices.
- Collaborated with team members to organize and participate in environmental cleanup efforts and wildlife protection initiatives.

KU Entrepreneurship Bootcamp, **Business market promoter and Presenter**

2017 – 2017

- Participated in a business market project that required teamwork and the development of a socially beneficial project.
- Developed skills in presenting and persuading potential customers through various communication methods.
- Gained hands-on experience working with executives in the market and promotions industry.
- Contributed to problem-solving and brainstorming sessions to identify and implement effective solutions to challenges encountered during the project, and became comfortable with public speaking through frequent presentations.

EXTRA - CURRICULAR

Expo Science International(ESI), **Assistant Manager**

2019-2019

- Conducted ongoing monitoring of customer satisfaction with all company products and services.
- Contributed to problem-solving and brainstorming sessions to identify and implement solutions to existing customer concerns.

Expo VC Roundtables, **Speaker**

2021 – 2021

- Participated in the Ambassadors' events at Expo alongside other business leaders, sharing my expertise on the development of technology and climate change with a global audience. Emphasized the essential role of private companies in promoting sustainability and preserving the environment.

LEADERSHIP EXPERIENCES

UAE Majlis, **Event Coordinator**

2022 – Present

- Collaborated with highly skilled professionals to conceive and develop interactive cultural events aimed at promoting UAE culture and expanding its reach within the local community.
- Demonstrated strong skills in careful planning, coordination, effective communication, and teamwork to ensure the success of the project.
- Contributed to bridging cultural gaps between different communities by engaging with individuals from diverse backgrounds and sharing knowledge about cultural practices and traditions.

Honors

Honorary Award, **ATHS School**

- Received honorary awards for academic excellence in high school, ranking among the top-performing students for two consecutive years. Demonstrated a strong work ethic and dedication to the field of engineering.
